

MEDIC TRAUMA PACK

Combat Casualty Response Kits®

Light Framed Platform and Removable Pull Bags for all your Trauma Management Essentials

Our Most Comprehensive Trauma Management Platform for Tactical Healthcare Professionals in the Line of Duty

The Medic Trauma Pack is a light framed platform with silent, dirt and sand-resistant zippers that close over a large main compartment with modular, removable pull bags for all your trauma management essentials.

The adjustable shoulder and sternum straps make for a comfortable fit. Cinch straps are included for the sides to maintain load integrity during stress maneuvers. Grommets are provided at the base of the pack for drainage.

Includes 7 removable, color-coded pull bags and 2 removable side compartments to provide modular organization for all your medical equipment. With over 1,000 cubic inches of gear capacity this is our most comprehensive kit/pack available.

Specifications:

- Case Closed: H 19 in. x W 19 in. x D 10 in.
- Weight: 18 lbs 1 oz
